This block contains two screenshots of the website. The top screenshot shows a "Guess the Performer" game where users can click on a grid to reveal parts of a performer's face. The bottom screenshot shows the "Last Year's Highlights" section, which includes a thumbnail of the 2001 ACM Awards logo and a list of nominees.

This block contains three screenshots. The top one shows the "2002 Academy of Country Music Nominees" list. The middle one is a "Safety Gameday for Kids" section with a "Dinner Plate" graphic. The bottom one is another view of the nominees list.

By Doctors.
For Doctors.

Welcome to the Tribute Plan.

At The Doctors Company, we do what no other national medical malpractice insurer does. We financially reward our members for their loyalty to our organization, and for their commitment to superior patient care.

A Lot to Bark About!

The Wine that Gives Back
At **dog house winery** we offer more than just an outstanding taste experience. As you enjoy a delicious glass of Charlie's Chard, Checkers' Cab, or Maxie's Merlot you will be supporting **Guide Dogs for the Blind**, a nonprofit organization dedicated to improving the quality of life for the visually impaired through the human-animal bond. Through this partnership, we are reaching out to dog lovers with an affinity for wine AND giving back to the community. Enjoy our wines knowing you are contributing to a wonderful cause!

Two Paws Up
Check out what the Wine Spectator and Wine Enthusiast have already said about **dog house winery**. The accolades continue to roll-in!

IP Management Technology

Lecorpio's adaptable intellectual property management software unifies intellectual property systems by creating one central repository for all your information.

This simplifies intellectual property processes for attorneys and paralegals through the entire intellectual property lifecycle, from invention disclosure to patent management to billing, monetization and litigation. You will be able to control costs by automating processes and increasing efficiency.

Based on the best practices of the world's most innovative companies, our enterprise software is highly customizable to support the unique and ever-changing business needs of each customer. Our products are purpose-built for the web and easy for non-technical staff to learn and use.
